125TH ANNIVERSARY CONFERENCE SERIES FAQs

What are the registration types?

There is only one type available — General Admission

When will I receive a confirmation of my registration?

A confirmation of your registration will be sent to you via email immediately upon registering from InEvent (our virtual platform provider). A few days before the event, you will receive an additional email with directions for logging in and additional helpful information to make your viewing experience the best it can be.

What if I miss a session or a portion of a session?

If you miss a portion of a session or would like to access the content on demand, it will be available the day after the live event and will remain available to access for one year.

Do I need to sign up for specific sessions in advance?

You can build your schedule in advance, but you can also join any session on the same day of the session. You can also leave one session for another if that is your preference.

Will I receive CEUs for the sessions I attend?

Yes. For sessions offering CEUs, there will be an icon on the bottom right-hand side of the screen that says "CEUs." You will need to click the link and fill out the session survey. Upon completion a certificate will be emailed to you with the session credits.

I wish to attend more than one of the programs in the series. How does that affect my registration?

Simply select the programs you are interested in and follow the links to register. A separate registration is required for each program you choose to attend.

I would like to become a sponsor of the 125th Anniversary Conference Series. Whom should I contact?

We would love for you to play a part in our series! Please email mccall@mohanna.com and a member of our team will reach out with additional information.

My question is not here. Whom should I contact?

If you have any additional questions, please contact 125ACSHelpDesk@nfpa.org

Do you offer login options for teams?

Each person requires their own registration. The platform we are using, InEvent, provides each attendee a unique login for the program. It is with this profile the attendee will participate in networking, Q&A and receive their continuing education units (CEUs). We hope you will sign up all of your team members for the various program throughout the year.

If I purchase multiple tickets, how do I assign them out?

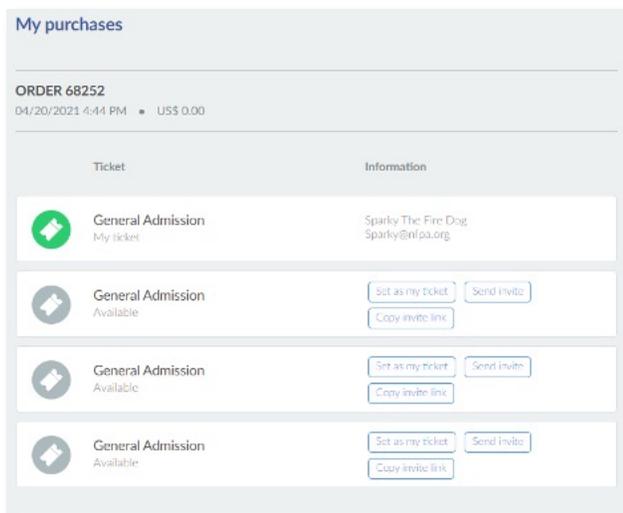

In your purchase confirmation email, click the button that says “Manage my Purchase”:

You can manage your purchase by clicking on the button below

MANAGE MY PURCHASE

Then for each ticket you purchased, you will have the option to:

1. assign to yourself “Set as my ticket”,
2. “copy invite link” for you to send in personalized email via your own email server or
3. “Send invite” which will prompt you to enter the individuals name & email address.

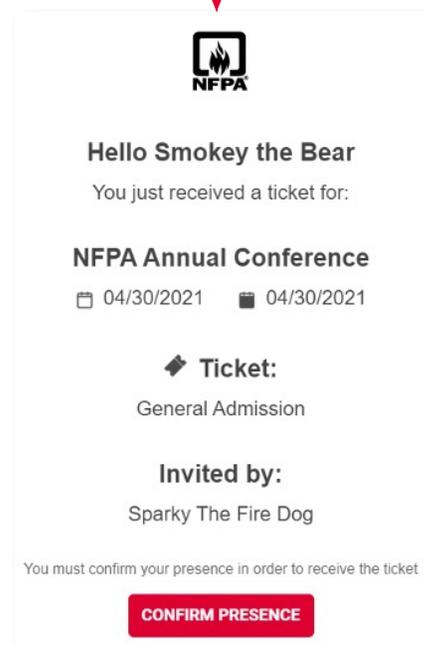

This is an example of if you send an invite through our platform. You will and enter the name/email.

The 'Send ticket' form includes:

- General Admission ticket icon
- Name field: Smokey the Bear
- Email field: Smokey@TheNationalFireService.org
- Buttons: Cancel, Send
- OR separator
- Fill in now for your guest button

Your Guest will see this. The individual will be prompted in via their email to “Confirm Presence” and will be linked to a webform where they will be required to fill out a profile to join the event (they do have the option to be visible to others, or not!)

To learn more go to nfpa.org/conferenceseries

Once they create their profile, they will receive our standard confirmation email – same as you – and will be sent all further communications regarding the event, like how to log in on the day of the program, etc.
