Report:

The Economics of Firefighter Injuries in the United States: Executive Summary

David T. Butry, David Webb, and Stanley Gilbert
National Institute of Standards and Technology (NIST)
Gaithersburg, MD

Jennifer Taylor
Drexel University
Philadelphia, PA

December 2019

Errata No.: FPRF-2019-23-01

Reference:

Page iii, second paragraph, first sentence was deleted.

~~NFPA's firefighter injury studies indicate that although other loss indicators of the nation's fire problem are declining, the rate of firefighter injury per fire incident is not.~~
