

## **Practicum Proctor Affidavit Form**

Candidates for the NFPA CFI-I, CFI-II, and CFPE certifications are required to have their practicum activities reviewed by an individual that can demonstrate to NFPA that they can conduct a competent review of the activities. To that end, the person selected to perform the review must complete the form below.

- Proctors for candidates in the fire service must be a training officer, fire chief, fire marshal, chief building official or similar individual.
- Proctors for candidates that are not part of the fire service must be an individual that can demonstrate a background that includes fire protection and fire safety.

*Candidates that participate in the MFIS training program are not required to submit this form.*
